

**LOCAL WORKFORCE AREA 14
WESTERN ILLINOIS**

Support Services Policy

Support services will be available to WIOA funded adults, dislocated workers and youth when funds are not otherwise available from other sources. Records must document that resources and services in the local area have been coordinated and that the individual was unable to obtain support services from another program source. All support services must be necessary for participation in WIOA. The cost must be reasonable and appropriate.

Mileage - Mileage rate changes will be issued in accordance with federal reimbursement rates.

Childcare - Childcare rates will be periodically reviewed. Policy changes will be issued in accordance with the rate changes.

Uniforms – Uniforms may be purchased as required by the training provider.

Tools – Tools may be purchased as required by the training provider.

Laptops – Laptops may be purchased as required by the training provider.

Other supportive services may be considered.
